

Alcatel-Lucent Enterprise EM200 Smart Expansion Module

The Alcatel-Lucent Enterprise Smart Expansion Module EM200 is a stylish deskphone accessory, which extends Alcatel-Lucent Enterprise Myriad DeskPhones' functionality. EM200 is specially designed for administrative assistants, receptionists, secretaries and other users who handle lots of multi-line telephone calls. Taking the advantage of 20 built-in hard keys and a big color LCD with up to 10 virtual pages, users can set different functions associated with the hard keys like speed dial, which improves productivity a lot. EM200 is fully compatible with the M3/M5/M7 DeskPhone.
